## Evidence coverage

| Measure                          |      |
|----------------------------------|------|
| Registered evidence files        | 5    |
| Approved and malware-clean files | 5    |
| Linked input fields              | 18   |
| Linked calculation nodes         | 5    |
| Coverage rate                    | 100% |
| Duplicate hashes                 | 0    |
